Monier® Roof System Guarantee, Ultimate Peace of Mind for Professionals

Hailed as the first of its kind in Malaysia, Monier® Roof System Guarantee (RSG) offers the ultimate peace of mind to customers. That's because Monier® Malaysia guarantees the rain-tightness* of Monier® roof systems for a period of up to 10 years upon installation. The guarantee applies solely to roof system** sold under the Monier® brand in Malaysia.

* "Rain-tightness" refers to the ability of a roof system, including its design, tiles, fittings and components, to prevent the passage of rainwater through the roof system and impede damage to the underlying structure.

** "Roof-systems" refers to a product or a group of products designed to fit together to create a complete roof system fulfilling its functional requirements.

UNWAVERING COMMITMENT TO QUALITY

- All Monier® Roof Systems are tested and validated by our state-of-the-art technical centre. Tests include wind-driven rain tunnel test to ensure our roof systems confirm to tropical weather conditions.
- A strong commitment to ensure reliable and undisputed product quality and customer service.

THE ULTIMATE PEACE OF MIND

- 100% leak-proof performance; excellent water-tightness.
- Hassle-free assurance up to 5 years.

PROTECTION AGAINST UNEXPECTED REPAIR COST

- Worry-free assurance against unexpected repair cost.
- Promote a higher standard of workmanship with prescribed installation methods from your roofing expert.
